

# The Colorado State Parks License Plate is Now Available!

**B**e among the first to proudly identify yourself as a champion of Colorado State Parks by purchasing this license plate for your car, truck and/or motorcycle.

This plate demonstrates your support for the unique beauty and critical importance of the amazing system of State Parks throughout our great State of Colorado.

You can feel good knowing that 100% of your donation will be placed into a dedicated endowment fund with the Foundation for Colorado State Parks. All of the endowment fund's interest earned will be used for the benefit of Colorado State Parks.

## Here's how it works:

1. Make a one-time, tax deductible donation of \$44 to:  
**The Foundation for Colorado State Parks.**
2. Complete the form below and mail the information along with your payment of \$44 to The Foundation for Colorado State Parks, or save postage and make your payment online at [www.thefcsp.org](http://www.thefcsp.org).
3. You will receive in the mail, a certificate as proof of payment from The Foundation for Colorado State Parks. **Please note:** The name on the certificate must **exactly** match the name listed on your vehicle's current registration. If it does not match, the Department of Motor Vehicle (DMV) will be unable to issue you a State Parks license plate.
4. Take the State Parks License Plate Certificate, your current registration and your current vehicle license plates to the DMV.
5. The DMV requires payment of a one-time \$50 fee for the purchase of any specialized license plate, in addition to the standard cost for licensing your vehicle.

Personalized Colorado State Parks license plates are also available. The procedure is the same for all personalized plates as directed by the DMV.

*All vehicles are still required to display a valid annual or daily entrance pass when entering Colorado State Parks. This license plate does not replace or serve as a substitute for a vehicle entrance pass.*
